Thanks to all those who came out to Mojave and raced with us. If you weren't there, you missed out on two days of nice weather, and lots of chances to run. 557 runs were scored over the two days.

Runs in yellow = class winners. Your trophies will be mailed to you.

Runs in blue = Index Challenge winners. We're sending out those trophies also.

The competition for Fastest Car ended in a tie at 218.3 MPH between R.J. Gottlieb and Bob Griffith. We'll make an extra trophy and send one to each.

The Fastest Bike trophy goes to Rick Wahlberg for his 208.2 MPH run.

Special mention goes to Eric Anderson, "Mr. Iron Butt", who did it again with a record 33 runs over the two days.

Congratulations to all our winners!

"DNS" = this run Did Not Start, for whatever reason.

"over" = this run violated our speed limit policy and was withheld from scoring.

"TM" = Timing Malfunction. We apologize for the one lost run.
